# New EUWP Strategy 2016 to 2018

## Strategic Objectives

- Strengthen the Energy Technology Network
- Provide energy end-use advice to IEA Member Countries
- Strengthen engagement with IEA partner countries, the private sector and other relevant organisations

# New EUWP Strategy 2016 to 2018

## Mission

- Promote medium- and long-term energy security, environmental protection, economic growth and engagement worldwide
- Stimulate and support the development and deployment of a broad spectrum of appropriate technologies
- Extensive international co-operation of private and public players
- Sharing best practices
- Interaction and monitoring with the Technology Collaboration Programmes (TCPs) under its portfolio most important

# **EUWP - Very broad scope**

## **Four End-Use Sectors**

- **Electricity; 3 TCPs (DSM, HTS, ISGAN); VC Michele de Nigris**
- **Buildings; 5 TCPs (EBC, DHC, 4E, ECES, HPP); VC Sabine Mitter**
- **Transport; 5 TCPs (AFC, AMT, AMF, ERC, HEV); VC Carol Burelle**
- **Industry; 1 TCP (IETS), VC to be nominated**

# EUWP Coordination Groups

## Tasks and Responsibilities

- Technology Development
- Information Exchange
- Developing the Membership
- Sharing of Best Practices

# Strengthen and support TCPs

- Strengthen the role of the CGs by further encouraging participation beyond the EUWP portfolio and by using these CGs for a variety of outreach activities
- Increase analytical work, focusing on systemic approaches
- Improve communication and cross-cutting activities of TCPs
- Discussing how results from TCP activities can better be made available to stakeholders
- Encourage more participation and involvement of the private sector and IEA Partner countries in TCPs

# Planned EUWP Activities

- Discuss how to bundle education activities from different TCPs and put them together on one platform (summer courses, web courses etc.). The Secretariat is preparing a survey among TCPs to get an overview of existing activities.
- Analysis of gaps in TCPs: What is lacking? Where should action be taken? Workshop on this issue back-to-back with the March 2017 EUWP meeting. TCPs have been invited.
